Environmental education and community participation.

TOURISTIC PACKAGE

The tour package will be included in the next call.

CONFERENCE PLACE

Hotel Husa Cayo Santa María
 Beach Resort, Villa Clara,
 Cuba.

The resort is named after Santa María, one of the keys of Jardines del Rey archipelago in the northeast part of Villa Clara province. It is 10 km away from the Local Airport Las Brujas, 50 km away from Caibarién, the nearest city and 116 km away from the International Airport Abel Santa María in Santa Clara.

Our resort will be in the first line of a white sand and crystal turquoise water beach of approximately 2.6 km. The vegetation and variety of fauna of the area, are the reasons why it is declared Biosphere Reserve which turns the place into one of the most exotic destinations of the Cuban Caribbean.

There will be 2740 rooms divided into 4 hotels, a Club Premium with rooms and services for more exigent clients and a unique Touristic Village with a varied offer of gastronomic services, Commercial Centers, Health & Beauty Center and which will support the hotels in the resort.

In the first phase of the resort, there will be 2 hotels with a total of 1308 rooms and the first phase of the Touristic Village.

MOST RELEVANT SERVICES IN THE RESORT

- 22 restaurants, 14 of them are thematic restaurants
- 28 bars, Disco included with 500 seats
- 2 Theaters for the Shows with 1200 seats each
- Jazz Café
- Bowling Bar
- 27 Meeting rooms
- International Finances Bank (BFI)
- SPA with 2200m² (Health & Beauty Center)
- 2.6 km of first line beach
- Club Premium
- Unique Touristique Village in Cuba with more than 45000m² of facilities and services
